

# TianBridge International, Tianyuan College

High School Profile  
2022-2023

## Tianyuan College Community

Originated from EOD concept (*Educational Facilities Oriented Development*), Tianyuan College was established in the fall of 2019 as an innovative education complex that hosts both public and private K-12 education, as well as Zhiyun Technical Secondary School, a youth center and an elderly college for the community, providing a life-long education to the age of 3 to 83.

## TianBridge International (TBI)

TBI is part of the private school, whose registered name is Hangzhou Huilan Future Sci-Tech City School. It offers 3-year British curriculum and Chinese high school curriculum. The first graduating class will go to college in the fall of 2024.
